
	Seychelles Energy Commission	
	Notice for procurement of expert for Geotechnical investigation study through Limited Bidding Procedure	

Seychelles Energy Commission (SEC) wishes to inform interested parties that it will be undertaking the procurement of expertise to perform a Geotechnical Investigation study in the lagoon at Providence (Zone 18), under the Limited Bidding Method under clause Regulation 62 (2) (a) Limited selection, “consultancy services are only available from a limited number of suppliers”.

The proposed shortlisted bidders are as follows:

**United Concrete Product Seychelles (UCPS)
Gondwana Geotechnical Services Ltd**

Any potential bidders wishing to participate in the tender or requiring information on this study may obtain the Terms of Reference from SEC’s office located at Palms street, Unity House Block B, Room no. 307, by latest Tuesday 4th December 2018 by 1600 hours, or via email to calexander@sec.sc

Interested parties can view this press notice on www.pou.gov.sc or www.sib.gov.sc

All enquiries should be addressed to Ms. Cynthia Alexander on 4610825 (office hours only) or via email calexander@sec.sc

SEC reserves the right not to accept the lowest bid or any other bid and reject unqualified interested parties.
