

SEYCHELLES LAND TRANSPORT AGENCY

PUBLIC NOTICE

TOPOGRAPHIC SURVEY AT ST LOUIS TO BEAU VALLON

The Seychelles Land Transport Agency (SLTA) wishes to inform interested parties that it will be undertaking the project for Topographic Survey at St Louis to Beau Vallon for the Proposed Road Widening, through the Limited Bidding Method in line with Section 61 2 (a) of the Public Procurement Act 2008.

This is on the grounds of limited number of suppliers meeting the following eligibility criteria to undertake the services as per specifications:

- Having a Valid Business Registration Certificate , which has the necessary topo survey license
- Having a valid tax clearance certificate for the Financial Year 2022
- Proof of similar contract executed in AutoCAD & Hardcopy

The proposed shortlisted bidders are as follows:-

- *CADD Survey*
- *Baseline Survey*
- *Michel Leong*

Any interested bidder requiring any information on this procurement or wishing to participate in the procurement, may contact the Assistant Procurement Officer at the Seychelles Land Transport Agency (SLTA) based at Huteau Lane, by latest **Friday 11th March 2022 at 2pm.**

Bidders may view this notice on www.pou.gov.sc or www.ntb.gov.sc
